

3) outburst - full range verbal, violent  
profanity, cries, yelling, screaming - all cons

scary  
hopeless  
sad

this attacks her - do it have control  
seems involuntary 'not herself'

heartbreaking

painful

attacking body (belief/feels)

voices - very bothersome  
embarrassing

→ happens everywhere, any time, unpredictable, car  
textbook description of 'possession'  
unknown if she remembers outbursts  
something sets her off, happens fast, over fast

→ around anyone, anytime

### interventions

try not to get in a car accident / physical injury / Fall  
provide emotional comfort + support;
