THOUGHTS & SUGGESTIONS FOR CARING

Caring Sheet #9: Resources:

The Physical Environment

By Deb deLaski-Smith, PhD

Introduction

Many sources of information about the physical environment are available. The following references, listed in alphabetical order under each heading, allow for further exploration of issues regarding the physical environment in private homes and other long term care or community residences. Some sources are theoretical in nature while others are practical and provide detailed solutions. Information for acquiring the references is also included.

PRODUCT CATALOGS:

ABLEDATA, PAM Assistance Center, 601 W. Maple St., Lansing, MI 48906, 517-371-5897

Accent on Information, P.O. Box 700, Bloomington, IL 61702, 309-378-2961

The author, Deb deLaski-Smith was Professor of Interior Design at Eastern Michigan University.

Editor: Shelly Weaverdyck, PhD, Former Director EMU Alzheimer's Education and Research Program; Email: sweaverd@umich.edu

All Caring Sheets are available online at the following websites: http://www.michigan.gov/mdhhs/0,5885,7-339-71550_2941_4868_38495_38498---,00.html (Michigan Department of Health and Human Services MDHHS), at <http://www.lcc.edu/mhap> (Mental Health and Aging Project (MHAP) of Michigan at Lansing Community College in Lansing, Michigan), and at <https://www.improvingmipractices.org/populations/older-adults> (Improving MI Practices website by MDHHS)

The Caring Sheets were originally produced as part of the in-kind funding for the Michigan Alzheimer's Demonstration Project. Funded by the Public Health Service, Health Resources and Services Administration (1992-1998) and the Administration on Aging (1998-2001) 55% federal funding and 45% in-kind match. Federal Community Mental Health Block Grant funding supported revisions to Caring Sheets (2002-2018).
