

We have met with stakeholders at 15 Michigan community colleges to discuss the availability and accessibility of mental health resources at their school and in the surrounding community.

We still hope to connect and talk with mental health stakeholders at the following community colleges:

- Delta College
- Glen Oaks Community College
- Gogebic Community College
- Grand Rapids Community College
- Henry Ford College
- Kellogg Community College
- Kirtland Community College
- Macomb Community College
- Monroe County Community College
- North Central Michigan College
- Oakland Community College
- Schoolcraft College
- St. Clair County Community College
- Wayne County Community College
- West Shore Community College
- Saginaw Chippewa
